John Wade : The Collector's Guide To Cine Cameras before purchasing it in order to gage whether or not it would be worth my time, and all praised The Collector's Guide To Cine Cameras:

This book takes an in-depth look at the popular world of cine cameras collecting. In three sections, the book begins with a detailed history, covering the pioneers of the late 19th century through to the demise of the cine camera in the 1980s. The second section looks at specific cameras and styles, dealing with landmarks and unusual and innovative designs. The third section comprises a comprehensive directory of manufacturers and the cameras they produced.
