**Paul Thomas : The Comet Cometh: One Fan's Unauthorized Critique of Adventure Time's Sixth Season** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Comet Cometh: One Fan's Unauthorized Critique of Adventure Time's Sixth Season:

0 of 0 people found the following review helpful. Fun GuideBy J.T. ColorThis is a fun, informal, and ultimately accessible review book of season sixth of adventure time. If you're a fan, you'll enjoy the author's perspective, I think.

From vagabond dads to primordial space demons, the sixth season of the popular animated Cartoon Network series "Adventure Time" covered a massive amount of ground, story-wise. But the season was also the show's most emotionally and philosophically complex year. Topics as heavy as depression, loneliness, love, loss, sexuality, existentialism, and embracing Destiny were all discussed. This book, which features critical reviews of all 43 of the season's episodes, examines each installment, determining which ones were rousing successes and which ones fell flatter than a bacon pancake.

About the AuthorPaul Thomas, also known as GunterFan, is a social science student with an interest in the Internet and pop culture. For the last year he has collected his thoughts about Adventure Time on his Tumblr blog.
