**Eric Houston : The Comic Book Podcast Companion** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Comic Book Podcast Companion:

1 of 1 people found the following review helpful. A powerful blend of interviews and podcast insightsBy Midwest Book ReviewComic book podcasts are the latest graphic phenomenon on the Internet, and The Comic Book Podcast Companion explores behind the scenes of ten of today's top comic book podcasts using interviews from a range of sources and blending features about podcasting and comics with major comic creators. The result is a powerful blend of interviews and podcast insights tailored to the online comics world and perfect for any avid comic book fan.

Comic book podcasts have taken the Internet by storm, and now TwoMorrows offers you the chance to go behind the scenes of ten of today's top comic book podcasts via all-new interviews with the casts of Around Comics, Word Balloon, QUIET! Panelologists at Work, Comic Book Queers, iFanboy, The Crank Cast, The Collected Comics

Library, The Pipeline Podcast, Comic Geek Speak, and TwoMorrows' own Tune-In Podcast! Also featured are new interviews about podcasting and comics on the Internet with creators Matt Fraction, Tim Seeley, and Gene Colan, plus a handy guide on what you'll need to start your own podcast, an index of more than thirty great comic book podcasts, numerous photos of your favorite podcasters, and much more.
