Doris Johnson, Alec Coker : The Complete Book of Straw Craft and Corn Dollies: Techniques and Projects before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Book of Straw Craft and Corn Dollies: Techniques and Projects:

0 of 0 people found the following review helpful. This book is exclusively about plaiting Straw, not corn. By Mary Harrell Not exactly what I expected. The title says "corn dollies" but there is nothing in this book that involves corn. The dollies are made from straw, which I doubt I'll be able to find in quality quantity. There are great instructions on plaiting with straw though. I'll try a new craft if I can get access to materials. Otherwise, I just wasted my money. 0 of 0 people found the following review helpful. Just what I wanted. By Carroll D. Brown Very detailed and good book for making straw wall hangings and corn dollies. 19 of 19 people found the following review helpful. An excellent

book.By lclaycam@media-net.netThis is an excellent book on wheat weaving (corn dollies). Great designs for the beginning and advanced weaver. Two fine artists sharing their joy and dedication in reviving the art of straw work. Intricate designs enhanced by the beauty of the golden straw. This publication is a must for any dedicated straw weaver.

Complete illustrated introduction to the age-old craft of plaiting harvest, or good luck figures from straw. 150 illustrations.
