**Susan Conder : The Complete Geranium: Cultivation, Cooking, Crafts** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Geranium: Cultivation, Cooking, Crafts:

0 of 0 people found the following review helpful. This is a good reference book By Patsie L. Erickson This is a good reference book.

This appealing gardening book on one of America's most popular flowers combines helpful growing advice, folklore, craft projects, and recipes. Enhanced with a lovely profusion of full-color photographs, The Complete Geranium is the perfect summer gift! Illustrations.
