Best book on the subjectBy Karen RhyneThis book is the best of its kind! It's also a recent book, so the information contained therein is not outdated or hard to follow. Methods given are easy to do, and the author explains everything in extreme detail, easy for anyone to follow. This book is highly recommended.

From an intricate corsage to a simple tied posy, flower arranging requires care and consideration. In this book advice is given on color, balance, scale and proportion, flower care, equipment, containers and using fruit and vegetables in

displays.
