De Pompa IIIGood Trade, great shape, vintage text is in very good shape. Good job, all the way around. I didn't realize the pages would be so small. I guess i didn't notice a listing for the dimensions of the book.0 of 0 people found the following review helpful. the bible for the jewelry class student!By rudydotrecommened by jewelry class instructor. A GREAT book for all--size is perfect--tabs are user-friendly--coil binding is a joy to use--GET ONE for the student or craftsman you know--FINE GIFT!

Best techniques of working with gold, platinum, copper, brass, steel, plaster, and more. "Surprisingly comprehensive."-The New York Times. "A gem of a handbook."-Whole Earth Catalog. "No metalsmith or jewelry maker is 'complete' without this easy-to-use resource." -Lapidary Journal.
