**Sue Whiting : The Crochet Bible: The Complete Handbook for Creative Crochet** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Crochet Bible: The Complete Handbook for Creative Crochet:

0 of 0 people found the following review helpful. ThanksBy Hot RodWow, what great service and excellant book0 of 0 people found the following review helpful. Five StarsBy Margaret Jordan RobinsonJust what I wanted happy with it0 of 0 people found the following review helpful. Great bookBy Jenny D.Great crochet book. Lots and lots Of patterns. Shawls, baby clothes, adult clothes and other projects. I haven't tried any if the patterns yet. But my daughter has and said the patterns are easy to follow. Only flaw. You need to understand the conversation from British terms to USA terms. A bit different with some term of some stitches than the USA.

Discover the creative potential of crochet with this comprehensive book that takes you from first steps to totally

hooked - invaluable whatever your skill level. Whether you are an absolute beginner or looking for fresh ideas, The Crochet Bible is for you! Getting back to basics is simple, with clear instructions, diagrams and photographs on how to crochet. Once you've got to grips with your hooks, you'll be spoilt for choice with versatile and tempting crochet moves such as picots, fur stitch and Solomon's knots. Becoming clever with your crochet means that shaping, decorative details and working with beads are just a few of the tricks that even experienced crochet fans will love. These creative crochet techniques will stretch your skills, showing you how to crochet stunning patterns, textures, colour effects and shapes for endless variation and possibilities. Over 35 alternative stitch patterns make this an indispensable library, which you can browse for even more ways to develop your own style. More than 30 original, bright and beautiful projects let you put your crochet techniques into action, resulting in home accents, clothes and accessories, from classic baby clothes to contemporary cushions and throws, allowing you to learn a new technique and crochet a project straight away. The Crochet Bible will inspire you to keep learning, experimenting and creating!
