Peter Dormer : The culture of craft (Studies in Design MUP) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The culture of craft (Studies in Design MUP):

Peter Dormer presents a series of lively, clearly argued discussions about the relevance of handicraft in a world whose aesthetics and design are largely determined by technology. One of the key questions discussed in the book is what

makes the difference between a craft and a modern technology.
