Aranzi Aronzo : The Cuter Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cuter Book:

28 of 28 people found the following review helpful. Tiny Cuties :)By FunkyMamaI bought this book because my 10 y.o. son wanted to learn how to hand sew. Most sewing books for kids are geared to girls. As soon as he saw it, he went to work. He quickly learned how to copy the patterns and started making little creatures right away. He loves it! After making several from this book, he started creating his own little creatures.It's easy to read and very straight forward. The little creatures only take a few minutes to make and are so adorable.We both LOVE this book! We also have Cute Dolls and Fun Dolls. Many of the the creatures in the Cuter Book are smaller versions of the things in Cute

and Fun Dolls. They are just smaller and easier to make. 0 of 0 people found the following review helpful. Very cute projects with easy to understand instruction with pictures. By squirrel2468 Very cute projects with easy to understand instruction with pictures. Would recommend for people who loves to do felt projects. 2 of 2 people found the following review helpful. Better than the first one. By Terry Weiss I bought the Cute Book (the one before this one) to use with my favorite 6 year old when she comes to play. We didn't find much to do in it - but this book is much, much better! She did her very first stitching ever on a teddy bear from the Cuter Book, and can't wait to try some of the other dolls. This is well worth purchasing - I would definitely recommend it to anyone who does crafts with kids - of any age. The dolls have a range of difficulty - none is super difficult, but from super simple to medium, it is a good beginner sewing book. I'm very pleased with it.

Over 40 different patterns and instructions on how to make your own Aranzi cute plush doll, accompanied with bright color photographs of the characters in action. Filled with the same irreverent humor that made the characters pop to life in *The Complete Aranzi Aranzo*, *The Cuter Book* is a simple instructional book for crafters of all ages and skill levels. *The Cuter Book* contains detailed design patterns that are easy to understand by inexperienced crafters, and still unique enough to be appreciated by veteran craft masters. New doll patterns include: Holiday themed dolls-Ghouly, Mr. Tree, Santa, Rudolf Reindeer, Miss Pumpkin, Mr. Bag, Snowman Snowbunny New Mascots-Chuuko, Miss Kid, Tetsu, Mr. Happy, Pigton, Happy Fairy, Lambette New Friends-Black Cat, Cow, Elephant, Fox, Lizard, the Lil Fruits, The Alphabet Gang, Stallion, Lion, Flower, Chick, the Weathermen Old Friends- Donkey, Penguin, Munky, Towel Dolls, Eyelash Bunny, Car Folk, Panda Bug, Red Birds, Snakes, Turtles

Most of the patterns fall in the Oh, how cute category, but there are several with guy appeal. Get this book! Kids, teens, and adults will all want to borrow it. - The yayayas Whether youve dedicated an entire room in your house to crafting or break out in hives at the mere mention of gimp, its hard to deny the weirdly winsome appeal of Aranzi Aranzos DIY books. - Popculture shock About the Author Aranzi Aranzo claim to be a Mexican-Japanese man and Norwegian Vietnamese-Indian man, working at securities firms and playing the tambourine full-time. What we do know about them, however, is that they are actually two sisters--Kinuyo Saito and Yoko Yomura--who create mischief and fun through high-cute (as in "high art") crafts and comics. Besides having created and maintained a multi-million dollar independent enterprise of "Japanese cute" materials, stories, home accessories, furniture, dolls, and even alcohols, Aranzi Aranzo have also been responsible for the mascot design of the Aichi World Expo 2005. Aranzi Aranzo's world of cute can be experienced online at <http://www.aranziaronzo.com/>.
