Venus Dodge : The Doll's Dressmaker: The Complete Pattern Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Doll's Dressmaker: The Complete Pattern Book:

2 of 2 people found the following review helpful. Great Book for Doll Collectors and SeamstressesBy SAMIt's a very nice book with directions and really nice pictures. Great for a collector even if one is not a seamstress. Books like these are hard to find sometimes. It is of very good quality, paper, printing and photography.0 of 0 people found the following review helpful. Good One.By Marlene BradyI am terrible at making my own doll patterns so purchased several books to help me out. They are great and would recommend.0 of 0 people found the following review helpful. AMAZING!! Thank youBy LisaAMAZING!!Thank you!Per my daughter - "It is her favorite gift ever" because it inspires her to do her favorite things- to read and to learn to sew.Thank you for being the ONLY gift that actually

arrived as it was supposed to.Appreciate you!!

In this collection of more than 120 dolls' dress designs, from modern outfits to period costumes, all the patterns are of actual size and ready to trace off the page and use. They fit dolls of 10 to 25 inches (28 to 63.5 centimetres), and can be altered to fit other sizes. Many of them are intended for the beginner, while experienced dolls' dressmakers should find the more elaborate period costumes an interesting challenge. The book contains making-up instructions, advice on technique and guidance on achieving a professional finish on a small scale. The author's other books include "The Dolls' House DIY Book" and "Making Miniatures", both written in collaboration with her husband.
