This book can really get your imagination and creative juices flowing. Love it!0 of 0 people found the following review helpful. It arrived in perfect condition. We can't wait to start making my ...By SuzeI was so excited to get this book. It was one I had devoured as a teenager. To me, it is definitive. It arrived in perfect condition. We can't wait to start making my dollhouse.0 of 0 people found the following review helpful. Good resourceBy CustomerThe plates of actual doll houses are not in color and neither are the large enough to see detail. On the other hand there are enough patterns and hand drawings to keep me busy for quite sometime. Now to just find the time.

Hardback, ex-library, with usual stamps and markings, in fair all round condition suitable as a study copy. Basic House Plans and Photography by Worrell, N
