**Sue Johnson : The Dolls' House Wedding Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dolls' House Wedding Book:

The latest craze among dollhouse hobbyists is a special event theme and what could be more special than a miniature bridal salon? These complete plans for making a lavish, high-ceilinged, three-story estate come with illustrated instructions for finishing it down to the tiniest detail. Furnishings for each room unite interior design with wedding decor. An outdoor garden features an arbor, fountains, trellises, and floral arrangements. A dozen bridal gown styles offer themed designs such as Cinderella, Royal Ascot, Swan Lake, and Hollywood Panache. Accessories include veils and tiaras, petticoats and corsetry, purses and parasols, seven miniature invitations, rings, gifts, table settings, and, yes, dollhouse confetti!
