Each picture shows a Trump in a famous painting. His head and face may replace George Washington or even a famous baseball player. Great fun 0 of 0 people found the following review helpful. Great gag gift! By C. Mitchell This book is awesome! It doesn't take itself very seriously so it's great as a gift for anyone whether they love or hate Trump. 0 of 0 people found the following review helpful. Five

Whether you support or loathe Trump or if you're somewhere in between, this nonpartisan adult coloring book gives you the opportunity to decorate the Donald in all his glory. Acclaimed artist Tim Foley offers colorists thirty-one black-and-white illustrations featuring the classic Donald smirk and that unmistakable (albeit magnificent) blonde swoop. Foley has transposed Trump into classic scenes from history. Whether it's placing his face on George Washington crossing the Delaware or superimposing it on Mount Rushmore, Foley masterfully incorporates the outspoken Republican nominee, Apprentice star, and New York real estate tycoon into a wide array of famous historical scenes and paintings for you to color. Additionally, Foley portrays the magnate at famous events such as the signing of the Constitution, Muhammad Ali knocking out Sonny Liston, and Superman lifting up a car in his initial comic book appearance. This coloring book also includes a cut-and-fold stand-up figure of the Donald for colorists to assemble and display, as well as perforated pages that are printed on one side so you can show your support (or lack thereof) anywhere! So before this year's election, pick up your copy of *The Donald Trump Adult Coloring Book* and make adult coloring great again!
