This was the first of her books that I purchased I couldn't be happier. The drawings are very unique super fun to color. I just ordered the second edition I can't wait for it to come! I'd reccommend any of her books, appropriate for both beginner advanced colorists!0 of 0 people found the following review helpful. Do you love 1950s fashion? Then this is the book for you! Pretty dress designs for the fashionista to color! Bring out the inner designer in you with these beautiful dress designs and mandalas. You get to decide how they look, and choose what ever colors you desire. If youre the type of colorist who likes to complete a project in one sitting then this is the book for you, most designs have been created to finish in an evening, some a little longer, so no more half finished designs that annoy you and nag you to get completed. Loose yourself in the designs and develop that peace and harmony that adult coloring books can give you. All dresses in this book are hand drawn with no digital enhancement to stay within the theme of the main era of the 1950s the artist is representing. The Mandalas were created using a mixture of both hand drawn and digital and represent a dress with a full circle skirt. Included are fantasy styles and couture gowns. There are 35 single sided drawings with bonus drawings from the artists next book. Created with love by Collette Renee Fergus, a New Zealand Artist . About the Author A passion for fashion especially dresses and anything 1950s is what led Collette to creating this book. She is also the author/artist of the Chardonnay Minx Coloring Books, a tongue in cheek party girl series. She began painting young, prevailed on family and neighborhood artists for lessons, and reveled in their skill and knowledge. At 11 she sold her first artwork, a watercolour of Mount Taranaki/Egmont. At 16 she took night school classes in oil painting and acrylics, her subject matter still mostly New Zealand scenery. She exhibited often and at 17 had her first solo exhibition in Auckland, New Zealand. Known for her modern, contemporary work, Collette has two distinct styles: her serious, abstract works and a fun, contemporary surrealist style. Her artworks sell worldwide, including in Britain, Germany, Russia, USA, Canada, Cook Islands, Spain and Australia, as well as from galleries throughout New Zealand. She has a popular website; dedicated to the growing interest in her art. www.collette.co.nz Collette finds painting extremely rewarding and puts her heart and soul into it, and is humbled by appreciation of her work. Collettes latest venture into Coloring Books came from her time recovering from cancer where all she could do with her art was draw and like colouring-in is for others, drawing gave her the same solace and peace. Collette feels adult coloring books are not just a fad, she beleives they help serve many purposes that are beneficial in so many ways, not just relaxation or stress release. They can help you focus with therapeutic, calming and problem solving benefits and give you the state of mindfulness we all strive for but seldom achieve.
