**Group Publishing : The Encyclopedia of Bible Crafts for Preschoolers** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Bible Crafts for Preschoolers:

0 of 0 people found the following review helpful. Great book for home and churchBy latoyaI really like this book. I bought it for my daughter so we could do Sunday school at home. Each exercise gives you a picture of how the craft should look. The one thing is if you aren't artistic, creating the stencils for each project could be challenging. Overall, the point is having the child learn the lesson and the book aids in that.0 of 0 people found the following review helpful. Not as expectedBy Patty A.Not what I needed for my preschool Sunday School class. I'm very disappointed and felt that it wasn't what I expected at all. There are no templates or patterns. I could do better looking online. I'm returning this book.0 of 0 people found the following review helpful. Five StarsBy Debra McGuireThis book has fun and simple crafts for the young ones to do.

Preschoolers are excited to explore God's Word through all their senses--creating, smelling, baking, squishing, and tasting! Appeal to their natural, kinesthetic learning style and teach 75 major Bible stories through crafts. These 175 craft activities are based on well-known topics: Exodus, Numbers, Ruth, Psalms, Esther, Daniel, Jonah, Matthew, Mark, Luke, John, and more. Simple, step-by-step directions help you enhance your lessons with these dynamite ideas, on short notice, and with little or no preparation! Handy indexes organize ideas by Scripture, theme, and idea style: FaithWeaver Bible Curriculum Index, Scripture Index, and Hands-On Bible Curriculum Index.

From the Back Cover A Huge Treasure Chest of Fun Crafts for Unforgettable Lessons! Teaching Bible stories to preschoolers is so much fun--especially when you're never short of clever ideas that make lessons more memorable and fun! The Encyclopedia of Bible Crafts for Preschoolers is an always-keep-on-hand resource packed with more than 175 simple crafts that bring 75 major Bible stories to life for little hearts and hands. Smartly organized to follow the order of Scripture, these "tested and approved" crafts (all have four steps or less!) are easy to find and easy to use--making it easy for you to have an impact on youngsters. Be prepared! With the wealth of creative crafts for preschoolers inside this valuable teaching tool, you'll never be short of ideas on how to get children's hands and hearts wrapped around each lesson! Perfect for use in: Sunday school Christian daycare Christian preschool VBS curriculum development Excerpt. Reprinted by permission. All rights reserved. Introduction In the beginning of class, Jane created her world. Oh, it didn't turn out looking like the magnificent perfect world that God originally created. But it was Jane's world just the same, cut from various colors of craft foam and glued together seemingly at random onto a misshapen circle. Jane, a preschooler, was the beaming creator as she ran to show her mom at the end of class. "Look, Mommy! God made the world, and so did I! Will you hang it from my ceiling when we get home?" Many preschoolers are just like Jane. They're excited to explore God's Word through all their senses--creating, smelling, baking, squishing, and tasting! The Encyclopedia of Bible Crafts for Preschoolers provides you with nearly 200 proven crafts from major Bible stories in the Old and New Testaments. You'll find "WOWS That Work" tips to help you extend learning and creating, an index that will help enhance your Bible lessons when using FaithWeaver(tm) Bible Curriculum or Hands-On Bible Curriculum(tm), easy step-by-step instructions for leaders, and a "Preschool Connection" section that will help make Bible learning a REAL experience. The Encyclopedia of Bible Crafts for Preschoolers is an essential tool for any preschool teacher interested in helping children explore and understand the Bible. You can use this book with your Sunday school, children's church, midweek meetings, home schooling, Christian preschool programs, or any other time preschoolers are gathered together. So get ready for unique, motivating crafts that will inspire your children to learn about the Bible in no time! The "Easy Steps" boxes are photocopyable so that your preschool helpers can follow them to help children create amazing crafts. We suggest that you enlarge the copies about 300 percent for easier readability.
