Thibault Daumain : The Escapist's Dot-to-Dot: Extraordinary Nature before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Escapist's Dot-to-Dot: Extraordinary Nature:

Take a break from the stress of the day and connect the dots to create beautiful landscapes, animals, and more in this engaging collection for adult coloring fans, featuring over forty images drawn from nature's bounty. Revive your inner artist for a few moments each day with these simple puzzles of the most breathtaking scenes from nature. From hummingbirds and eagles, to Tuscan landscapes and Mount Everest, you'll find more than forty intricate illustrations to satisfyingly complete, color-in, and frame as you so choose! Dot-to-dots were a requisite of childhood; a simple puzzle that kept us quiet for a few moments while we excitedly uncovered the scenes within them. It is this philosophy that runs throughout The Escapist's Dot-to-Dot: Extraordinary Nature, with each image offering a short sojourn from the stresses of your day, allowing you to slow everything down and lose yourself in those few moments when your focus is devoted solely to satisfyingly watching a picture take form through the lines you draw. Each design in The Escapist's Dot-to-Dot: Extraordinary Nature takes approximately ten to twenty minutes to complete and contains approximately 500 connections. Unveil spectacular sights line by line with this creative, calming, and completely addictive coloring book!
