**Pamela Westland : The Essential Flower Arranger** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Essential Flower Arranger:

0 of 0 people found the following review helpful. BEAUTIFUL Book ....Highly RECOMMENDBy silky69This book is filled with over 250 BEAUTIFUL color photos of different stunning arrangements to do. It gives step by step photos along with directions on how to achieve the pictured arrangement. The focus is about achieving the shape and harmony of colors. The color wheel is explained at the beginning. It is the perfect book for someone who wants to gain more skill at floral arrangement without taking a class. I highly recommend this beautiful and well-explained how-to book.
