**Roberta Horton : The Fabric Makes the Quilt** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fabric Makes the Quilt:

4 of 4 people found the following review helpful. Gorgeous Colors!By BevThe colors are beautiful and lush. The lessons are great. But this book is not for beginning quilters, at least not ALL beginning quilters. It's an art quilt book, and if that's what you are looking for, this is a wonderful one. The only gripe I have, and it's not a big one, is that the fabrics she shows us, and works with, are almost all from other countries. As such, it's very exotic looking. You could eat your heart out over this. For instance the "Kente Cloth" from Ghana is to die for, and I haven't seen anything like it in my LQS. But luckily for us we have no shortage of beautiful fabrics in our shops, so we can use substitutes. I think you'll want to read this book from cover to cover, it's that intriguing.0 of 0 people found the following review helpful. ANOTHER GREAT INSPIRATION FOR QUILTERS!By The realskinnyA funny thing happened on my way to finding more Kaffe Fassett books on quilting--I found this one and while not quite in the same vein as the Fassett

books it was inspiring and offered another source to draw from. Great book--worth getting if only to see the great fabrics and how they were used by the author!0 of 0 people found the following review helpful. Five StarsBy Arlene M. HinsonEasy read, very informative. Would recommend to a new quilter.

Important Note about PRINT ON DEMAND Editions: You are purchasing a print on demand edition of this book. This book is printed individually on uncoated (non-glossy) paper with the best quality printers available. The printing quality of this copy will vary from the original offset printing edition and may look more saturated. The information presented in this version is the same as the latest edition. Any pattern pullouts have been separated and presented as single pages. If the pullout patterns are missing, please contact ct publishing.
