Tracy Kendall : The Fabric Yarn Dyer's Handbook: Over 100 Inspirational Recipes for Dyeing and Decorating before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fabric Yarn Dyer's Handbook: Over 100 Inspirational Recipes for Dyeing and Decorating:

0 of 0 people found the following review helpful. this would be a great book. I'm going to keep it in my ...By mercygirlThe majority of this book regards fabric dyeing with natural dyes. I was looking for dyeing of yarn and fiber with acid dyes. For the natural dyer or the dyer of fabric, this would be a great book. I'm going to keep it in my dyeing library because one day, I may use it.0 of 1 people found the following review helpful. Five StarsBy DORIEExcellent product, excellent packaging.3 of 6 people found the following review helpful. Served its purpose.By jlauMy son was doing a research paper on dyes and different fibers so this book provided him with lots of information. It was simple to understand and the layout kept him interested.

If you want to give fabrics that personal touch, you can't do without this vital tool that covers everything from traditional vat coloring to tie-dyeing, as well as innovative contemporary methods involving photocopiers, foil, and latex. Jam-packed with handy tips from a leading expert in textile dyeing and decoration, it describes the characteristics of different fabrics and yarns, dyes, pigments, and paints. Color strip, screen or block print, do Indonesian batik, smoke stencil, and so much more, with over 100 inspirational, beautifully photographed recipes for dyeing and patterning fabric, a comprehensive techniques section, and symbols that quickly convey a recipe's difficulty, preparation time, process, and type of dye required. And a handy color key system instantly identifies the best material for each procedure!

"Grab this comprehensive guide and learn all you need to know."--Vogue Patterns
