with acid dyes. For the natural dyer or the dyer of fabric, this would be a great book. I'm going to keep it in my dyeing library because one day, I may use it. 0 of 1 people found the following review helpful. Five Stars By DORIE Excellent product, excellent packaging. 3 of 6 people found the following review helpful. Served its purpose. By jlau My son was doing a research paper on dyes and different fibers so this book provided him with lots of information. It was simple to understand and the layout kept him interested.
