M T Lott : The Farting Animals Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Farting Animals Coloring Book:

5 of 5 people found the following review helpful. White Elephant Winner!By CamillyVanillyThis is going to make a great White Elephant gift! I just wish it was a little thicker.0 of 0 people found the following review helpful. so thinking of something they didn't have and would enjoy was next to impossibleBy Lady NehmanBought this coloring book for my nephews at Christmas time. They are the kids that already have everything, so thinking of something they didn't have and would enjoy was next to impossible.Then I came across this - a farting animals coloring book! Both hilarious and therapeutic. Big hit!0 of 0 people found the following review helpful. Funny GiftBy ShannonMy little nephew got a kick out of this when I gave it as one of his Birthday gifts. Boys just think anything that has to do with farts and poo are hilarious.

Farting animals are funny! This farting animal coloring book for kids (of all ages) is just what you've been looking for, even though you probably didn't know it! Color pictures of farting meerkats, dogs, pandas, giraffes, hippos, horses, kittens and more! Keep the pictures for yourself or give them to a friend who needs a laugh. Enjoy!

About the Author M.T. Lott has an [unhealthy?] obsession with farts. In addition to his FARTING ANIMALS COLORING BOOK, he has written about fart fairies. Like a silent but deadly fart, he cannot be stopped. Be sure to check out his FARTING MAGICAL CREATURES COLORING BOOK too!
