From Arnoldsche Verlagsanstalt : The Fat Booty of Madness: The Goldsmithing Class at Munich Art Academy before purchasing it in order to gage whether or not it would be worth my time, and all praised The Fat Booty of Madness: The Goldsmithing Class at Munich Art Academy:

3 of 3 people found the following review helpful. The Fat Booty of Madness. WOW! By IsgettI'm totally thrilled with this book. Unlike many jewelry books on the market, Fat Booty is the one that opens up the floodgates of creativity. Wonderfully imaginative and free of the constraints of traditional materials and design, this book is the first giant step to getting outside of the box. Great photos. Interesting history of the training in Munich and of the Fat Booty

Exhibition. As an abstract painter who happens to love jewelry design, I can honestly say that this book is a goldmine for your creative juices. I'm so glad I bought it for myself. Best book I've bought in a long time. 1 of 1 people found the following review helpful. One of the best jewelry books I own By Danika This is a very large and complete catalog of European metalsmithing work. I highly recommend this book.

The first complete survey of training in jewellery at Munich Art Academy from 1991 to the present, with over 1000 illustrations and biographies of all contributing students.

Jewellery and the fine arts have never been closer than in *The Fat Booty of Madness*. 520 pages of contemporary jewellery - emotional, thought-provoking, risky, profound and crazy --*The Baselworld Daily News*, 6 April 2008
The Baselworld Daily News, 6 April 2008
The Baselworld Daily News, 6 April 2008
The colorful, rambunctious spirit of the Knzli class is visually captured in this eye-popping survey of the results of the training from 1991 to the present. --*American Craft*, Vol. 68, No. 5, October/November 2008
