3 of 3 people found the following review helpful. this was a fun book although really not very quiltyBy Robyn OrchardAs a quilt lover, this was a fun book although really not very quilty. However I loved the friendship of the characters and how people can help to heal others just thru their care and concern. Wish it hadn't ended so suddenly and so unfulfilled however.2 of 2 people found the following review helpful. MesmerizingBy So glad I got this book!

What a winner! I just couldn't stop reading and I was surprised when I got to the end. I wanted to see what happened next! 1 of 1 people found the following review helpful. I love AnnHazelwood's writing. By Customer5 stars from me! I love AnnHazelwood's writing. I have a problem putting any of them down. I have read nine of Ann's books. I live not far from the areas in the books settings so it was easy to imagine the setting. At the end of each book, I can't wait to read the next. I can't say that any one book is any better than another.
