Book is beautiful, directions clear, with some helpful instructions. Bought it and gave it away as a gift to someone who likes Jacobean work.0 of 0 people found the following review helpful. Beautiful book, but I wish it would have more ...By Ivette BaqueroBeautiful book,but I wish it would have more patterns.1 of 2 people found the following review helpful. Beware the rating for the conditionBy Kathy SwearingenWhile the content of the book is lovely, the condition was worse than expected. Rated as good the book has obviously been wet. The cover is warped, pages wavy at the bottom. The dust jacket was stuck to the cover and there is mold. Disappointed in the condition of the book, but it is still usable.

Throughout the world, "Glorafilia means fine needlepoint. Now, the two artists behind Glorafilia show you how to achieve the same high quality. Choose from medieval European, traditional Japanese, contemporary designs and more; the projects range from simple and quick to highly intricate.
