**Susanna Cuyler : The high-pile rug book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The high-pile rug book:

4 of 4 people found the following review helpful. ContentsBy 2crazy4books2the high pile rug booksusanne cuyler1974From inside dust jacket " This is an exciting, practical, illustrated book for the beginning or the advanced rugmaker. It displays modern as well as traditional design and technique for hooked and knotted rugs and reveals in a brief history the traditional aspects of the craft. ... Clearly illustrated instructions are given for hand hook, punch needle, shuttle hook, tufting, latch hook and rya. ...Also included is list of suppliers and an extremely useful section on rug care and cleaning. ... Clear and simple methods for transferring the design and duplicating the design to the backing.Of special interest are photographs of rugs designed by such famous artists and craftsmen as Alexander Calder, John Johansen, Constantino Nivolo, Antonio Frasconi and Robert Osborn....."chapters include rugmaking techniquesrug design and color duplicating, enlarging and transferring designsintroduction to rug hookingrug hooking equipmentand hookingthe punch needlethe shuttle hookother speed hooksthe latch hook techniquethe ryadyeing yarn and materials
