Keri Smith : The Imaginary World Of... before purchasing it in order to gage whether or not it would be worth my time, and all praised The Imaginary World Of...:

119 of 125 people found the following review helpful. I honestly believe her best book so far!!!!!!!By Ready set shop!!!My favorite book so far! So if you think this is like wreck this journal book it isn't. This book first gives you instructions on how to get the most out if this book. you can of course put your name in it so the imaginary world of(you) in this book you are going to tell a little about yourself. I love it because it is so different from her other books this book is more about drawing and writing stories. I would recommend for 11+ I love it because it had crafts journal entries as well as drawing and coloring, and Keri smith wouldn't be Keri if she didn't have you cut something out so yes you will be cutting out things but other then that If you want this book to look nice don't worry you don't have to wreck it ;) I love to read and write so I definitely recommend to anyone who loves creative writing and anyone who really wants to do something with art as well. There are prompts such as make your own logo. It sounds boring but honestly she did a lot of different art and making each part of her book look appealing in this book not one page really

looks the same. I love the size of the book it's big so you can write a lot and draw and let the kid out once again!!!!0 of 0 people found the following review helpful. Book to develop children's imagery.By Grandma CNeat and unusual for stirring imaginations. I purchased as a gift for a 12 year old to encourage creativity.9 of 10 people found the following review helpful. First time buyer for this kind of bookBy Barbaral bought this for myself and it's my first from this writer. I can't wait to dive in but I'm not as well versed in doing this kind of book. I guess though that there isn't a wrong way to doing the fun projects inside! I'm in my 50's but love being creative and this is an excellent option for little money!

From the internationally bestselling creator of *Wreck This Journal*, a guide to building your own perfect world. In *The Imaginary World of*, Keri Smith asks readers to imagine something new: a unique world of their own making. Readers start by creating a list of everything to which they're drawn: things they love and collect, colors, shapes, ideas, people, and creatures that fascinate them. The items in the list will become the building blocks for their imaginary worlds, used to create texture and establish a foundation for the new place they'll begin to inhabit. Readers will then be prompted to think about landscape, place names, maps, currency, residents, logos, foods, histories, and more for their world. An indispensable guide for artists, dreamers, activists, and explorers of all ages, *The Imaginary World of* will encourage readers to become revolutionaries of everyday life, chronicling the possibilities in the brave new worlds they envision.

Praise for *The Imaginary World Of*...[Smiths] unspoken message may be discovered along the way, if kids or adults notice their utopia didn't include a Target parking lot or seven hours of media use per day. A conceptual artist and author luring kids into questioning the world and appreciating every smell, texture and mystery in it. *TIME* Magazine Thought-provoking. . . . *The Imaginary World Of* breaks up the creative log jam by asking readers to focus on only one task at a time, page by page. *Suvudu* Take on the challenge of imagining something new with *The Imaginary World Of* by Keri Smith. Push the boundaries of the existing world we live in and encourage yourself to innovate. *How Design* Praise for Keri Smith Keri Smith may well be the self-help guru this DIY generation deserves. *The Believer* About the Author Keri Smith is a bestselling author, illustrator, and thinker. Her books include *Wreck This Journal*, *The Wander Society*, *This is Not a Book*, *How to Be an Explorer of the World*, *Mess*, *Finish This Book*, *The Pocket Scavenger*, *Wreck This Journal Everywhere*, *Everything Is Connected*, and *The Imaginary World of*...as well as *Wreck This App*, *This is Not an App*, and the *Pocket Scavenger* app. She enjoys spending time with her husband, experimental musician Jefferson Pitcher, and two children.
