This is a fantastic book guiding you through the creation and the history of Gotham's worst menace. Excellent artwork and informative prose. This is a "no brainer"

for the real Batman fan! 2 of 2 people found the following review helpful. all his friends love it. By Customer I bought this for my husband (a huge joker fan) for Christmas and he can't get over it. His dad loves it, all his friends love it... this is an amazing book for anyone who loves the joker. It's very extensive and colorful and makes a great coffee table book as well for anyone to pick up. I would highly recommend. 2 of 2 people found the following review helpful. A nice visual of The Clown Prince Of Crime By DEADMAN1313 This book is so awesome, it has so much history of the Joker in words and picture and a lot of gems are in this book, not once have I regretted picking it up at all. The icing on the cake was seeing the forward written by the voice of the Joker himself, the legendary Mark Hamill. This is a great book and a must have for any Batfan or just a fan of the Joker

A comprehensive look at the greatest comic book villain . . . ever. Since his first appearance in 1940s Batman #1, the Joker stands alone as the most hated, feared, and loved villain in the DC Universe. Though his true origins may be unknown, the Clown Prince of Crimes psychotic appearances in hundreds of comic books has shaped the way we look at Batman, comic books, and ourselves. Indeed, a hero is only as good as his nemesis, so the Joker's heinous crimes, including murdering the second Robin and paralyzing Batgirl, have elevated Batman to the highest levels of crime-fighting, and we, the readers, to the finest levels of quality pop-culture entertainment. The Joker is the first retrospective chronicling one of the most groundbreaking and game-changing villains of all time, and contains images from his more than seventy years in comics by comic book artists and writers such as Bob Kane, Bill Finger, Jerry Robinson, Dick Sprang, Grant Morrison, Dave McKean, Neil Gaiman, Geoff Johns, Alan Moore, Brian Bolland, Brian Azzarello, Bruce Timm, and Paul Dini. Also included are images from his various film, television, animated, and video game incarnations, such as the timeless interpretations by Cesar Romero, Jack Nicholson, and Heath Ledger, who won his posthumous Oscar for his portrayal of the Joker in 2008's The Dark Knight. This book is a must-have for fans and anyone who wants to die laughing.
