Primedia Inc : The Joy of Card Making before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Joy of Card Making:

9 of 10 people found the following review helpful. A font of great ideas for cardmaking By Customer I agree with the other reviewer: I loved reading this book. I pored over every page and card idea. You get one sample recipe or template where the how-to's are explained and then several riffs on the recipe, all very different and done by different designers. It was easy enough to figure out how these other cards were made. I would describe the card elements used as being

mostly those in a scrapbooker's arsenal: embellishments, ribbon, and patterned paper, and the designs are all very clean and contemporary. Hallelujah! There is hardly a country or Victorian/romance design in the bunch and for that I am very grateful. I am excited to get going on making some of these. 0 of 0 people found the following review helpful. I love cardmaking By Gotta Latte Espresso I found this magazine wonderful and full of new and refreshing ideas. Sometimes you just need inspiration for a new project and this magazine provided this to me. Full color layouts. Great decision to purchase this product. 3 of 3 people found the following review helpful. the joy of card making By Frances J. Johnson I have so many card making books and magazines. This book seemed repetitive and fairly elementary. I don't see myself using more than reading it once. A person just starting out making cards might find it quite informative.

Save time and add a little spice to ordinary cards with these creative design recipes. With *The Joy of Card Making: 53 Fun Recipes for Designing Cards* you'll be able to whip up a batch of homemade cards using one of the basic designs and whatever ingredients you like.
