Carley Roney : The Knot Guide for the Groom before purchasing it in order to gage whether or not it would be worth my time, and all praised The Knot Guide for the Groom:

0 of 0 people found the following review helpful. Helpful if given early!By Veronica RoseThe Knot Guide to the Groom has many helpful ideas for the Groom to be aware of, which can make the planning and wedding communications much simpler. It's style tries a little too hard to be 'one of the guys', but the information is useful. However, this would be best to get/give BEFORE the engagement (or as quickly as possible afterward), since much of the groom's responsibility lies in the proposal, announcements, and choosing the groomsmen. I'd recommend this book

as part of a premarital program/gift so guys can be well-informed and plan ahead for the wedding (not just the proposal!!)0 of 0 people found the following review helpful. Must buy for groomBy A Guy Some whereRead this before the bride... has a ton of solid advice0 of 0 people found the following review helpful. Four StarsBy Cheryl Jackson
gift haven't heard anything back

Boy meets Girl. Boy realizes she's The One. Boy proposes to Girl. Now what? The Knot Guide for the Groom is a relationship-saving guide to weddings for guys who think taffeta is a candy and Jordan almonds is the stripper booked for the bachelor party. With the wisdom and gentle humor of a big sister, The Knot's Carley Roney distills the rituals and duties of the modern wedding into a succinct script that even the most clueless guy can follow and possibly enjoy. The wedding planning process is outlined in just enough detail to inform without causing undue terror, with emphasis on traditional groom duties such as finding an officiant for the ceremony, hiring a band or a DJ, and obtaining the marriage license. Extra attention is given to critical topics such as choosing a bride-approved wedding look (whether tuxedo or beach casual) and planning a honeymoon she'll enjoy too. Plus, advice on choosing a best man and groomsmen (and understanding their roles) helps the groom pick a winning team. With an accessible illustrated handbook format, The Knot Guide for the Groom will turn regular guys into happy husbands.

About the Author
Carley Roney is editor-in-chief and cofounder of The Knot, the premier name in bridal publishing. Since 1996, The Knot has provided advice to millions of couples a year online at www.theknot.com and in The Knot Wedding Gowns and Weddingpages magazines. Carley regularly dispenses wedding advice on national television shows such as the Today show, Oprah, and The View.
Cindy Luu is a New York City based illustrator and graphic designer.
