Bonnie Holt Ambrose : The Little Hatmaking Book: A Workbook on Turn-Of-The-Century Hats before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Little Hatmaking Book: A Workbook on Turn-Of-The-Century Hats:

3 of 3 people found the following review helpful. Don't waste your time By Uggybay This book lives up to the title in that it certainly is little. That's the only positive aspect of it. The few techniques described were worthless - they

actually are harder than just using correct millinery techniques. A significant amount of space was wasted on illustrations of tacky end-products in the gist of "HAY! U CAN DECORATE YOUR HAT THIS WAY! BUT WAIT! IT LOOKS DIFFERENT IF YOU ADD A LACE RUFFLE!" 0 of 0 people found the following review helpful. Great reference book...By GPLove hat making and costuming of all eras. This is a great reference book for me. I recommend this book!...:) GPO of 0 people found the following review helpful. Five StarsBy CandD GrannyBWonderful little pocket book of millinery.
